Your complete guide to this issue's BONUS VIDEOS

This issue comes with 10 full-length bonus videos, all of them featuring naughty schoolgirls in XXX action.

As always, these videos are totally free with absolutely no strings attached. You can stream them on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take ***18eighteen*** anywhere you go.

Here are the highlights of this issue's bonus scenes.

Elizabeth is a naughty student trying to get out of class by pretending to be sick. As soon as the nurse steps out, Elizabeth and a boy student play doctor. She bounces on his dick like a slut, leaving his shaft shiny with her goo.

There's fucking in the girls room with Ava, Heather and a lucky guy. Ava has never had her nerdy pussy rocked like this before, and she even gets a lesson in deep-throating and gagging from Heather.

Jennifer is a straight-A student who is about to get her first Big D. She hops on a guy's cock, and you can see his rod fill and stretch her little pussy. She takes what she can of his dick, then she milks his load onto her face.

What starts off as an awkward moment for Cadence being reprimanded for not wearing a bra turns into a hot sex session with an older guy. She blows him while hanging upside down. Her pale, little ass bounces as she rides the cock in his office, and her nipples harden into tiny points that stick straight up as she gets fucked in reverse cowgirl.

Puffy-nipped brunette Ariel McQwire gets a mouthful of cock from a much-older man. Her teen juices collect around the guy's shaft as he drills her pussy. Then she lets him fuck her ass and cum all over her face.

Even though Blaire Ivory is best in class, she wants to prove to her principal that she's ready for college. Blaire moans and her titties bounce as he drills her cunny.

Lexy's pretty, pink pussy and perky tits are way more interesting than studying. She mounts her classmate and slides her pussy up and down his shaft. Then he lays her down on the couch and pounds her pussy till she's ready to swallow his load.

Part of Madison's lesson from her tutor is how to swallow his cock without gagging once. She also learns how to take his cock in her tight pussy. She drops to her knees to catch his load on her face.

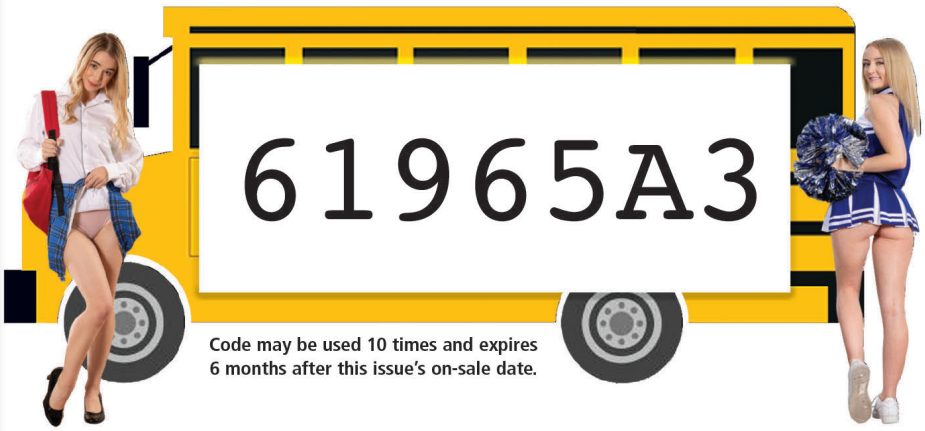

Braylin is supposed to be studying, but her tutor has his eyes on her little ass. She swallows him deep and makes sure his balls get attention, too. When they fuck doggie-style, you can see Braylin's pussy lips gripping her tutor's shaft.

Leda's tutor is 38 years old. She's only 18. Leda deep-throats his huge dick, then he deep-dicks her while she's on her back, knees pulled up to her chest.

Athena Has Him Jacking

Dear Virgin Territory,

I just got my mitts on Vol. 25 No. 5 of *18eighteen* and need to thank you for showing off a sexy teen girl who has driven me crazy. I'm talking about blue-eyed brunette girl-next-door Athena.

Athena is a tiny girl who can take a big cock. Nice pucker!

Athena is no stranger to *18eighteen*, so seeing her featured on the cover, I knew I must get this issue, having first had my dick doing backflips to her in Vol. 25 No. 3 in her tiny, denim skirt and flowery panties, neither of which stayed on long. In fact, after three days of solid wanking over her in that issue, I noticed she was also featured in your sister mag, *Naughty Neighbors* Vol. 28 No. 3, so I went online especially to buy this mag. What a bonus!

Boy oh boy, I cannot get enough of those cute blue eyes and that tight 18-year-old body, and in this issue, she looks cute as hell in her pink vest top on page 88. It's good to hear she prefers older men. No wonder your stud has his tongue in her sexy, tight teen asshole on page 89. I would gladly oblige, too. She looks so innocent, but judging by the pictures on page 90, she certainly knows her way around a hard cock, sucking both his dick and balls. It was great to see this older guy fuck her tight, teen slit before she let him empty his balls into her mouth on page 95.

She really is the sort of girl this mag is all about, and it was worth the purchase just for her. I must have emptied my balls over her pics a dozen times in the last three days. I'm hoping *18eighteen* will have her back for more shoots. I'd happily shoot my sperm over her pages every issue.

Keep up the good work, guys and gals, and we long-term loyal fans will never stop buying the best teen porn mag there has ever been.–K., Essex, United Kingdom

He's In Love With Hazel

Dear Virgin Territory,

I am writing about Hazel (Vol. 25 No. 5). She is gorgeous, fun, adventurous and confident. Wonderful features and a beautifully large booty. The bottom line is, Hazel loves sex. She can tease like the best, and she knows how to bring out the best. Exceptional.

Hazel can also be seen in the movie *Teens in Need 2.*

Hazel is so fucking sexy! Love her bush, love her beautiful tits, love her long hair. I would love to make love to her. Hazel is awesome!–D.E., via email

He's Picking Winners

Dear Virgin Territory,

How could you have a beauty pageant without letting us vote ("XXX Beauty Pageant," Vol. 25 No. 2)? I know the guys in the photos voted with their hard-ons and cum shots, but I think we need to pick a winner, so here goes.

Doesn't Ariana Marie (Dec. '14) look pretty in cum?

Third place goes to Charity Crawford because she's so fucking skinny and beautiful. You can see her ribcage! The girl has a mint body, and although she's very pretty in her portrait photos, she's even more beautiful with a cock in her cunt. I bet she'd look even more beautiful glazed with cum.

Second place goes to Riley Star because of how her pussy is being stretched out by that cock while her asshole puckers. "You can't judge a girl's beauty by her pussy and asshole," you say? Well, you didn't tell

us what the rules are, so I get to make them up.

And the winner is…Ariana Marie with her tan-lined tits and pussy area and that wholesome look on her face while she's getting boned. I bet her mommy and daddy have no idea what a slut their little girl has turned into. They'd be shocked.

Thanks for the contest, but like I said, next time, let us vote.–J.R., Lexington, Kentucky

The Girls Who Fucked

Dear Virgin Territory,

I would like to comment on the three girls who fucked in your latest issue (Vol. 25 No. 5).

I will start with Juliette because she came first, literally and literally.

Juliette got her pussy stretched out in Vol. 25 No. 5.

Juliette looks like the fresh-faced cheerleader from high school who one day "forgets" to wear her panties and causes a stir. The way she handled that big penis was very impressive. The way it stretched out her little cunt will probably make her a suitable fuck for guys with much bigger cocks one day.

Next, Lacy says she has no gag reflex and is great at giving blow jobs. I believe the latter but would like to see her demonstrate her lack of a gag reflex by swallowing a big cock down to the balls. I think this little nymph could have a great future in porn, but first, some guy is going to have to push her mouth further down on his cock and test that gag reflex for real. I definitely liked that she was fucking a guy who is more my age.

Athena is another flattie who looks like she should be in chess club, but instead, she's downing some older dude's dick for all the world to see. Love the way she took that facial. I have this fantasy about seeing her at a bus stop with a load of cum dripping from her chin. "Oh, sorry, I forgot to wipe up afterward." I think girls walking around in public with cum all over their faces would be very hot.–R.S., via email

Scouting the Teens

Dear Virgin Territory,

Daisy (Vol. 25 No. 5) is a cute little teen who barely weighs a hundred pounds and has almost no tits at all but still has curves. One of the things I look for in a young girl is how she's going to fill out as she gets older. In Daisy's case, those curves indicate that she'll have places to put the pounds when she does eventually mature so she doesn't look like a fat cow. This and the idea that I could easily pick her up and bounce her on my cock made her my favorite girl of a very good issue. Let's see more of Daisy very soon. She's a real winner.–J.S., Binghamton, New York

Daisy has nice curves for a flattie.

Because We Try Harder

Dear Virgin Territory,

I love the photos in which the girls are holding their pubeless cunnies open for the camera. How on earth do you guys at *18eighteen* find these bold 18-year-olds who are happy to open up their bald private parts for close-up photos? Do these girls know how many thousands of cocks will have ejaculated looking at their smooth pussies?

I would love to rub and squeeze their A-cup boobs while taking their virginities by pounding them in the missionary position, eventually filling their vaginas up with lots of spunk.–Name withheld, via email

She Smiles & Spreads

Dear Virgin Territory,

Riley (Vol. 25 No. 5) is a gem. That tiny bikini she's wearing is so small, I'm not sure why she decided to wear it at all other than the fact she'd probably get arrested in most places if she didn't. The way she smiles like a cheerleader when she's spreading

Riley doesn't need much of a top to cover her tiny titties.

both her fuck holes and looking at the camera is a joy to behold. I'd love to go back and forth between fucking her mouth and asshole, preferably in broad daylight where we might get caught.–A.V., via email

Anal Cherry? It's Gone!

Dear Virgin Territory,

Thanks for following up the solo photos of Mella in Vol. 25 No. 5 with her anal scene in Vol. 26 No. 1. Having seen her beautiful body and ass

Mella is enjoying her anal cherry-taking.

in the air, I hoped I wouldn't have to wait to see her fucking, and you didn't make us. Beautiful girl. It's always great to see a young girl's first anal scene. I hope to see more of her. She's the best new girl since Michelle Anthony.–Name withheld, via email

Dear Reader: Fortunately, you can see more of Mella right now. The video version of her anal scene in Vol. 25 No. 5 is featured in the movie Backdoor Brats 3, *available on page 99 of this issue or online at* eBoobStore.com.

He Wants Tattoos

Dear Virgin Territory,

Please show tattoos on your models since they are 18 years old and older. The legal age for getting tattoos is 18. I like both whether they have tattoos or not. That also includes piercings.–M.S., via email

NAUGHTY SCHOOL GIRLS

EMMA SIRUS

Reyna peels off her uniform so you can see her slender body in her white, cotton bra and panties. She spits on her nips and rubs her saliva in. She gets on the kitchen counter and spreads her legs for a hot diddle session. Sara is a little fuck toy who loves doing herself with her fave toy. Emma strips and fingers her pussy and asshole, which are already gaping despite her youth. She wants you to jerk off to her young, tight holes.

Kama's uniform is too small!

It's not that Kama isn't wearing the uniform her private school handed out to her. It's that she's wearing the uniform it handed out to her two years ago, when she was a few inches shorter. Now her pretty little bubble butt is peeking out of her tartan skirt, but is it her fault the male teachers can't stop staring at her. Yeah, it is!

Admit it: You did it on purpose

"I didn't, I swear it! I don't know why, but my mother never threw out my uniform from sophomore year, and I was in a hurry because I was afraid I'd miss the bus, so I grabbed it and threw it on, and then I'm sitting on the bus and I look down and I can see my white panties. What was I supposed to do? I had a big test."

You have such a nice pussy

"That's what my boyfriend always says. He says he's looked at a lot of porn and my pussy is better than any model's. I think it looks nice. I especially enjoy how pink mine looks compared to other girls' pussies. And he says it's the tightest pussy he's ever had. Well, I haven't fucked much."

I never thought I'd get a chance with any of the cool chicks until one of sis' friends snuck upstairs during a cheerleader sleepover to show me her…

SPLIT PERSONALITY

BY JOE MONKS
ILLUSTRATION BY OTIS SWEAT

Twins. Trust me…it's not all it's cracked up to be. Especially when your sis got the good looks and you got a knack for gaming and can't get out of the way during dodgeball. Oh, did I mention Raven's a cheerleader?

At least that part doesn't suck. I go to all the games. Y'know, to support my sister. And most weekends, at least two or three of her cheer squad sleep over, watching videos of teams from around the country and working on new cheers and shit. Best part? No uniforms. Yeah, they might have the pom poms, but the Hawks' sweaters and all that? No way. Ginnie'll wear her skirt, and that's cool because she's got an ass that makes guys want to whack-off during games. Alyssa, though? She's usually in nothing but her halter top and last semester's gym shorts, which she's way outgrown. Ray usually sticks to sweats and whatever band shirt's clean, but Danielle…holy shit, does she rock it! Alyssa might not need a training bra anymore, but Dani? I'd dress up as a girl to take her SAT for her if she asked, she's that hot. Heck, I made out with Jennie Bell after letting her cheat off me on our last math final, so I figure, whatever works. Jennie even let me put my hand up her shirt and feel her tits!

It's only a couple weeks into the school year and the homecoming game's Saturday after next. Ray's all bent outta shape because her coach, Mrs. Delton, wants to work all this new cheer stuff she saw at nationals into their routines, and it ain't going good.

I tried getting close to their group in English, but they were all the way across the room, so no luck there. Dani waved, though; enough to give me a boner that leaked into my shorts. Robin Nokes nearly had a panic attack when Mrs. Goldberg announced a pop quiz, which made my jeans even more uncomfortable. She looked my way and I gave her a wink. She wasn't dating anybody, and while she wouldn't've given me the time of day otherwise, I'd taken payment under the bleachers a couple of times. Cindi Cortez, who'd been left back the previous year and was looking at another F going onto her transcript, had given me head under the bleachers

SWEAT

during the second quarter of the West Creek game. I was so nervous when she stuck her hand in my pants, I almost jizzed on her arm. I have a decent dick, and Cindi seemed to be having a good time working it in and out of her mouth. The key was trying to make it last as long as I could. Cindi had a lot more experience than I did and knew all kinds of ways to get me close, all of which I was looking forward to finding out.

"I didn't bring anything," she said. "You know, to clean up. So…you can't shoot on my face."

"I, uh, if, it's…okay," I stammered. Cindi rubbed my dickhead against her thick lips and led me to where she was already going.

"I guess that leaves my mouth," she said. "You wanna watch me swallow?"

That I didn't gag her with my load right then is something I'm still proud of. I wish I could put that in the yearbook.

"Definitely!" I confirmed. The stands erupted. Even though we had the bleachers with the backs so you couldn't see through them, there were plenty of gaps for rain to drip through, making the crowd's roar seem like my approval of Cindi guzzling my cum. Not that she needed any.

"Your balls are heavy," she teased, stroking them with her pointy-tipped, cherry red nails. I thrust into her mouth, right on the verge, making her smile around my shaft.

"Somebody wants to jizz," she purred, doing that tongue roll that I could never get in Spanish class. I was getting it now, though, and that was all it took. Cindi's drool was hanging off my prick, and at first, she was just staring straight ahead. Then she opened her eyes, looking up at me. Watching my cock disappear into those plump, puckered lips of hers, I fucking erupted, blowing my wad right down her throat. A little ran down her chin, and when she came up for air, a couple more drops spattered her cheek. Before she got up, she ran her tongue up and down the entire base of my dick, sloppily swiping it across my jizzhole, and stroked the last little bit out of me. When I was drained, she put her index finger into her mouth and sucked it dry.

"You, Spence, ain't bad at all," she said with a smile. "Wasn't getting close to the end of the quarter, I'd let you lick my snatch. You like the taste of pussy, don't you?"

At least she hadn't figured out I'd never gotten sucked off before. Monday? Sigh. She was back hanging with the cool kids.

Licking her pussy under the bleachers, though? Boy, did I jack off plenty thinking about that!

Robin didn't hold up her end of the bargain, so my dreams of getting head and cumming in another girl's mouth was a crash-and-burn. I guessed Danielle could tell because I clapped and cheered for all their routines, and a couple times, I caught her looking back.

In the second half, before the last cheer, she really gave those pom poms a shake, swung her hips completely different than the rest of the squad, smiling right at me after her backflip. My dick was harder than the metal bench and felt just as long. Thinking about Cindi swallowing my load and Danielle paying some attention to me, I worried about having to make a pit stop to jerk off in the bathroom.

Ray's request hit me like getting T-boned by an 18-wheeler.

"What?" I asked, not believing it.

"Fill the cooler. Take the toaster oven upstairs and grab the Hi-C. I need the living room."

That wasn't what I was stunned about. Six of her squad, sleeping over? We lived in a pretty small house. Even with my parents out of town, six girls meant two pairs would be sharing air mattresses, one'd be on the couch and one would be on the ancient fold-up cot. Half a dozen cheerleaders… sleeping in our living room! If that didn't sound like a porno fantasy, I didn't know what did.

I guess I accepted because Ray thanked me and went to push the furniture aside so they could practice. Six…blazing hot…cheerleaders. I was trying to figure out how I could hide behind the bannister upstairs to watch them…while getting off 10 or eleven times.

Of course, I did as asked, loading up the cooler, grabbing some chips and a frozen pizza. All that was missing was a stick and marshmallows to hold over the toaster oven. Problem was, I'd have to stay upstairs. Ray didn't want to be interrupted, and it was made pretty clear that some of her gal pals did not want to practice in their outfits. Hmmm… might Ginnie work out in panties? Bending over so Alyssa could roll over her back? I had a stiffie they could've hung their uniforms on. The pictures in my mind were coming non-stop.

For a while, I tried. Really. I gamed, watched some Netflix, but still…The living room was in full view of the top of the stairs, where the bathroom was. I, y'know, found reasons to go whenever the giggling started. On my next-to-last trip… Alyssa was down to her bra. Leah had on a sleeveless top she must've left in the dryer for a month. It looked like it had been sprayed on, and her nipples were jutting right through it. I just about ran to the toilet, though, when Dani caught me looking. Gawking, more like. By then I'd changed for the night, getting ready for bed, and had shorts on that couldn't hide my erection. I was sure she noticed. And, it terrified me. What if she told Ray I was spying on

She needs teacher cock.

Poor Chloe. Mr. Henderson, the new substitute teacher in first period math class, has a big cock. She could tell by the outline of his dick in his pants. So she'd been juicing in her brand-new panties all day, thinking about how good his cock would feel, and now she's home.

You've been horny all day?

"Yes, and I tried to go to the girls room so I could get off, but every time I went in there, all the stalls were taken. I wonder if the other girls were diddling themselves to Mr. Henderson's cock, too. I kept thinking about how good it would feel in my mouth and pussy. I hope he's back tomorrow."

What's your Mr. Henderson fantasy?

"I don't know. I've only gone all the way once or twice, so I don't have much experience. I hope he'd teach me. I'm not even sure I could get my mouth around that big thing of his, and my pussy…oh, my god, I'm tingling just thinking about how it would feel in there. So good!"

JADE
ANATOMY
LESSON

She's learning by doing.

Jade is studying anatomy, and the pictures are making her horny. Unfortunately, her boyfriend isn't around. Fortunately, her brother's best friend is. "Do you have one of these?" she asks, pointing at the picture of a penis in her textbook. Now she's going to experience her favorite thing: hands-on learning.

Do you fuck a lot, Jade?

"Actually, I didn't have sex until pretty late. I hooked up with a couple of my girlfriends and didn't have sex with boys until later. Other than experimenting with girls in high school, I was really involved with the student body, and I was in the chamber orchestra and was vice president of my class in my junior year. I was busy!"

Did you like him licking your feet?

"At first I thought, 'What is he doing?' but when he licked my toes and my soles, it sent a tingle down to my pussy. It was like his tongue was connected to his dick. See? I learned something! I'm into having my feet played with!"

Today's lesson: young pussy

Lilith has a problem. She's trying to focus on her math homework, but the numbers don't make any sense, and the truth is, her dad's friend, who's tutoring her, is a bit of a distraction. You see, she knows he has a big cock. She's known him long enough. And now she wants him.

Do you go on a lot of dates?

"No. Maybe that's the problem. I'm horny all the time! I masturbate, but that's not the same as real cock. I know I shouldn't be having sex with Mr. Fitz-well. He's 55 years old, and my dad would kill both of us. But I've known ever since my 18th birthday that he wants me, so why not?"

We'll guess: You're not a cum-dodger.

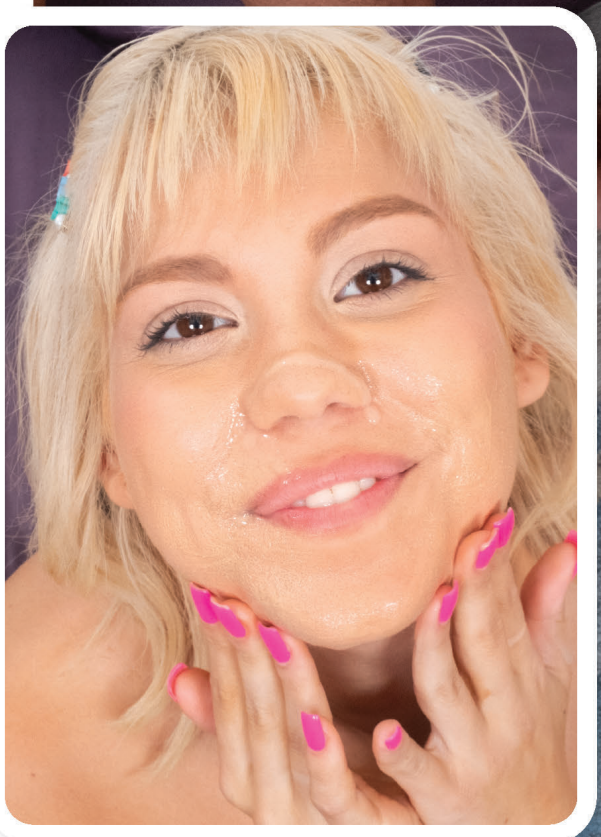

"No way! I always swallow when giving BJs unless the guy asks to cum somewhere else. If I'm not going somewhere afterward, I'll let him cum on my face. But it smears my makeup, so I have to plan for it. Mr. F. said he'd cum on my face so he wouldn't get me pregnant. Awkward!"

SKYLAR
TEACHER'S PET

Skylar is hot for teacher.

What's a girl to do when she's horny but not for the boys her age? For the older man who's teaching class. Skylar doesn't care if he's good-looking. She just knows the bulge in his pants looks really swell. Sure, he might get fired for this, but the pussy will be worth it.

Skylar, we like your uniform.

"Thanks! I didn't think I'd like it at first because the skirt they gave me went down to my knees and looked lame, but I hemmed it up a bit and also got a tighter shirt to accentuate my body. Now I'm the only girl in school who looks good wearing the uniform and the only girl who's fucked her teacher. I think."

We bet the boys in school like it.

"Haha, for sure, but there are only, like, two or three guys who would have a chance of hooking up with me. The rest of them are too immature. I like older guys mostly, and now that I've fucked one in the classroom, I'm not sure I could ever go back to boys my age and, like, bedroom sex. That sounds so boring now."

SPLIT PERSONALITY

Continued from page 28

her squad? I'd be sleeping out in the backyard for a month!

Fuck it, I thought, crawling back into bed and turning out the lights. Damn, my cock was hard. Like, painfully hard. I considered downloading some porn and filling some napkins I'd brought up with sperm, but I'd only grabbed a couple. I'd have turned them into paper mache the way I needed to shoot. Grrrr. Sleep, I decided. Just crash, maybe have a wet dream. At least no one would know.

Trouble. The door squeak had me sitting up in a flash. Ray, coming to read me the riot act. But that wasn't whose voice I heard.

"Spencer? You awake?"

Hell, yeah, I was. I wasn't sure what was wrong. I mean, something had to be for Danielle to be in my room checking if I was up, right?

"Everything all right?" I asked. The light came on. Dani slipped inside and shut the door. She had on her cheer top and skirt, just like for a practice. Only now, she was barefoot, and her hair was down around her shoulders. During games, she kept it braided. I gulped.

"Everyone else called it in," she explained, sighing. "But I really wanted to make sure this bit was right. Do you mind watching? See if it looks good enough for homecoming?"

"Of course," I agreed. Danielle Kent, a cheerleader, wanted to show off her moves to me. In my room. At two in the morning. Nicky and Matt were never going to believe this.

"I'll try to be quiet," she said, coming closer. She looked worked up from practicing. It had been hot out today, and I could see sweat around her neck, making her skin shiny. I sat there, watching, desperately trying not to grab my junk. I was way beyond horny.

"Come on Hawks! We need a score! Let's put up points then score some more!" She paused. Looked me right in the eye. "What? Did it not look good?"

It had. Her husky voice whispering the cheer turned me on, too. But…had I really seen what I thought I had?

"Just, uh, to be sure, try it one more time," I prodded, drawing a smile sweeter than the Hi-C. She rolled her

shoulders and went into the cheer again, but slower this time. When she recited, "…some more!" she raised her right leg, holding it straight up, her knee touching her cheek. And, sure enough, I had seen what I thought I'd seen.

Dani wasn't wearing panties. Her bright-pink pussy was right in line with my face, so damp I could smell it. I'm sure my jaw was hanging open. I wanted to bury my face in her gash and tongue her until sunup. Instead, I sat there trembling, my dick on fire, not knowing what to do.

Danielle did a pirouette, and then, to finish, slowly dropped into a full split. I made a mental note. I would be sniffing that spot on my carpet in the morning, just to prove to myself this had happened.

"So," she asked, stepping closer. "How did it look?"

"Pink," I blurted, slapping my hand over my mouth. I couldn't believe I'd said that! But Dani didn't seem embarrassed. She came a step closer, grinding her crotch into my knee.

"Word around the locker room is you've got a nice cock. Feel like giving me a workout?"

I was sweating now, too, but I tore my shorts off and stood up in front of her, letting her get a look at my dick. And a feel. Her slim hands wrapped around my shaft and gave me one, excruciating stroke. I thought I might cum right there.

"How's that feel?" she asked, pulling her legs in tight. Her skirt slipped to the floor.

"N-nice," I said.

"Oh, wait. My bad. This'll be better," she promised, then spit into her hand. Breathing heavily, she jacked me faster, getting me even harder.

"Closer," she whispered. "Closer. Yeah. Ohhh, there."

She pushed my tip against her folds, bringing her leg up again. This time, though, she rested her ankle on my shoulder and wrapped her arms around me, her swollen nips pressing into my chest as my dick entered her dripping slit.

"Fuck me, Spencer," she said, using my full name. Nerdy as it was, I didn't give a shit. Dani could've called me Geek and I would've loved it.

What I loved right then, though, was the feel of my balls touching her thigh. Dani had long, sexy legs, and having them naked in front of me, my

cock parting her lips, felt like I'd been abducted by aliens. Aliens who wanted to get off…and get off wet.

I rocked, trying not to throw Danielle off balance, not that she needed my help. After about three minutes of me stand-up fucking her balls-deep, she changed positions, throwing her arms around my neck and warning me:

"Tell me if I'm too heavy."

Dani was like a ball of warm dough from Home Ec. She put both legs up, tucking her toes behind my ears. She giggled as I reacted, twisted around me like a pretzel.

"Grab my ass," she said, her throbbing cunt muscles clenching around my joint. "Give it to me fast, I need to cream now."

I'd never pictured fucking a girl like this. Dani was gymnast-limber, and her twat was oozing so much, her fuck lube was trickling down my legs. I dug my fingers into her curvy ass and went to fucking town. Thin as she was, she didn't weigh much, and I had more than enough cock for her to grab hold of.

"Mmmmmmmm…Wanna feel me cum?" she asked, arching her back and sticking her fingers in my mouth, leaning away. I put my arm around her waist, supporting her.

"Gonna keep going until I do," I promised, wobbly as we were. Dani let go of my neck and fell all the way back, rubbing my spit into her hard, dark nips.

"Make me!" she gasped. "Give me that big cock and fuck me 'til…'til… urngh!" Her gooey tunnel made sounds like I'd just poured Bosco on her. I felt her climax, her hole clamping down around my dick. God, I wanted to jizz in her, turn around, slam her down on my bed and fuck her until I emptied my balls. I held on a little longer, though, Danielle's green eyes staring me down.

"I thought you wouldn't last!" she moaned, fingernails dragging down my chest. I smiled, happy I had.

"Not for long, though," I admitted, feeling my time running out. My balls were about to explode.

"Put me down," she said. "I want one more."

I laid her on the floor, the wet spot from her split spreading as she orgasmed uncontrollably.

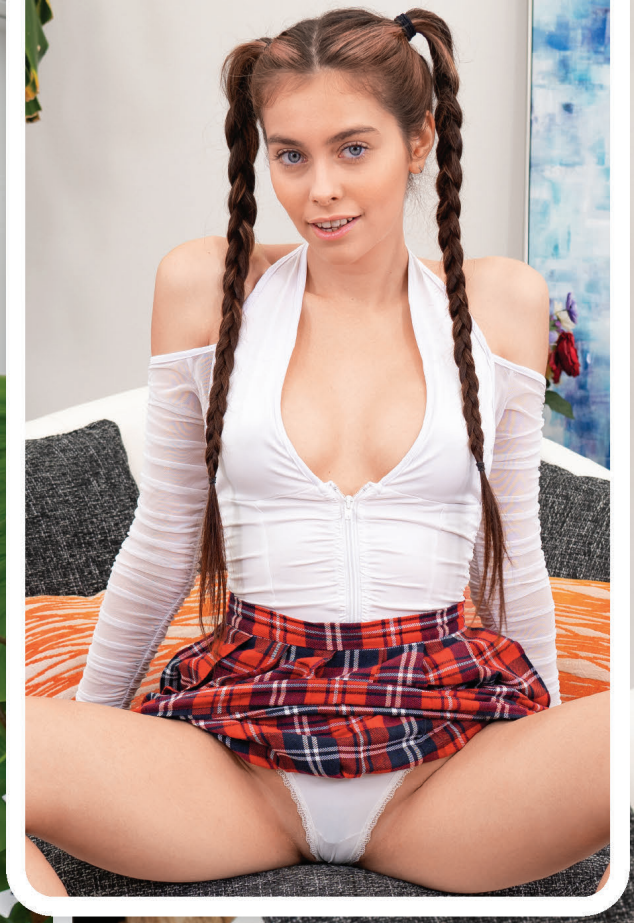

"Spencer?" she said. "I'm safe. You

ALISSA
PIGTAILS &
PUSSY

She aced Fucking 101.

Alissa loves dressing like a naughty student, which is ironic. “I’m a terrible student. That’s why I don’t do well in school. I’m always skipping classes and fucking boys!” So how does she pass? “Well, let’s just say I do better with my male teachers than my female ones.”

She joined the mile-high club!

Alissa, who debuted in Vol. 25 No. 4, told us about her wildest sexual experience. "It was in an airplane. I was feeling crazy horny, and my boyfriend must have been feeling the same because he kept playing with my boobs when nobody was looking. Eventually, I pulled my panties to the side–I was wearing a skirt–and sat on his cock. Nobody even knew we were doing it!"

MARIA
THE HORNY
CHEERLEADER

She raises school spirit & cocks!

Who doesn't love a cute, bubbly cheerleader? Maria, who fucked her much-older teacher in last year's back to school issue (Vol. 25 No. 2), just got back from cheer practice, and now that she's made all the onlooking high school boys hard, she wants to turn you on with her routine. Only this one is a lot hotter than the one she does at school. It has tits and pussy.

Why do you like being a cheerleader?

"Because of how guys look at me when I'm in my uniform. I can practically see the pre-cum staining their pants as I walk by. I would lick that jizz off half the cocks in the school, but there's only so many hours in the day. I've already done, like, half the football team. The boys in the school band are next!"

JILL
STUDY
BREAK

She's too horny. She has to cum.

Jill has cock on her mind and can't focus on her homework. She can't stop thinking about her crush. "I bet he has a big cock," she thinks. "But how big?" So she uses a pair of scissors to cut a penis shape out of her notebook. "That big? That would be so cool," she thinks. "I wish I could fuck him now."

Have often do you masturbate?

"Like, every day! I usually use my fingers because my parents would flip out if they found a vibrator in my room. They're very conservative. I mean, they go to church every Sunday. But I just learned from one of my girlfriends that the shower head works, too!"

What's school been like for you?

"Stressful. I've gone to different schools every year, so it's really hard to make best friends, and the only class I really care about is English. I don't even know about college. I'm a very artistic person. And I can tie a cherry stem in my mouth. I'm very oral! Spitters are quitters!"

know what I'm saying?"

I did, and it made my sack tighten like a pair of walnuts.

"But," she went on, throwing her head back in ecstasy. "If you don't wanna do it that way? I snuck up here to get a shower. You could give me a bath first. A warm, thick, salty bath."

I palmed her tits, driving my dick into her sopping gash. I knew what she meant, all right, and didn't care about the risk. Being inside my sister's friend was the best of both worlds. So that's what I gave her.

My first jet of jizz erupted deep inside her, blasting her G-spot and making her cover her mouth to hide her squeal. Her eyes bulged. Nails stabbing into my carpet where it was still dry, I knew she was ready. I pulled out, spooge dripping from my cock head, and blew four, five, six spurts onto her. Strands of sperm stretched across her belly, her boobs, all the way up to her throat. I finished with a gusher across her neatly-trimmed pubes, jizz coating her from head to, well, mid-thighs, anyway. The girl looked like she'd just been in a gangbang. Staring down at her, the two of us soaked with sex juice, I asked what would happen when we were back in school on Monday.

"You'll still talk to me, won't you?" I asked hopefully (but hopefully not pitifully).

She gave me a strange look. Then she giggled.

"Maybe, but it'll probably just be a mumble," she said, shrugging. I nodded. Nothing had changed, right?

"I get it," I said, accepting it. Danielle put her hand on my cheek, forcing me to look at her.

"What I mean is," she explained. "I probably won't be easy to understand."

"Why?" I asked, still not getting it.

"'Cause my mouth'll be full of jizz," she said, teasing the tip of my cock. "After you walk me home from practice. You don't mind, do you?"

On one condition," I said.

"Name it."

"You let me taste your pussy."

"Carry me to the shower. I won't make you wait. Not that you can't eat me now *and* Monday. Deal?"

KEIRA
I ♥
CUMMING

When hormones are raging...

If there's a common theme in this issue, it's school girls who can't keep their minds on their studies because their minds are always on sex. That jives with our experiences in high school: not being able to concentrate in class because there was so much young tits and pussy around… like lovely little vixen Keira's.

Isn't he a little too old for you?

"A little too old for what? I've been a good girl. I get straight A's. Why should all the party girls have all the fun? Besides, I have an awesome body and there's no shortage of guys who want to hook up with me. I just don't want to hook up with them. The way I see it, I wanna learn from an experienced guy."

Stretched pussy much?

"You got that right! I wasn't even sure Mr. Rock's cock would fit in my pussy, but he managed to get it in, and he rammed it like it was the last pussy he was ever gonna get, which it won't be. I just hope my girl snaps back to norms."
